DEPARTMENT OF CSE, CUET	

# **Name Of the Project**

A study management website.

## **Objectives**

To give good idea about almost all things a student has to know before deciding to go to study abroad in one place. And to give expert suggestion about it.

## **Description**

People wants to go to abroad. So we decided to built a website that helps with information about institution, scholarship, accomodation, and other things.

## **Software**

HTML, CSS, JAVASCRIPT, SQL etc.

## **Conclution**

Hope for the best.
